

30 JAN 2026

NATIONAL LAW UNIVERSITY JODHPUR

End Term Examination August-December, 2025

Semester: UG VII

Subject: Sustainable Global Supply Chain Management (Optional Subject)

**Time: Three Hours**

**Marks: 100**

**Instructions:**

- 1. Attempt any five questions**
- 2. Each question carry equal marks**
- 3. Adhere to the rules of Examination Hall**

Q1). Distinguish between the roles of suppliers, manufactures, distributors and retailers on the basis of any five aspects. Support your answer with an example of differentiation between the roles. (Marks 20)

Q2). Critically evaluate the risk mitigation strategies used in global supply chains, explaining how organizations identify, assess, and respond to disruptions arising from geopolitical, environmental, technological, and operational uncertainties. (Marks 20)

Q3). Discuss the advantages and limitations of hub-and-spoke versus direct-to-store distribution strategies, and analyse how firms choose between these models based on demand patterns, geography, cost structures, and service requirements. (Marks 20)

Q4). Examine the role of blockchain technology in strengthening transparency and traceability in global supply chains. Evaluate its effectiveness in reducing fraud, enhancing trust, and supporting emerging models such as omnichannel fulfilment and last-mile delivery innovations. (Marks 20)

Q5). Discuss the manner in which trade regulation deals with the issues of trust. (Marks 20)

Q6). Write short notes on the following:

- a) Community engagement (CSR in supply chains)
- b) Ethical labour practices in supply chains

(Marks 10+10=20)
